"But what about you?" He asked. "Who do you say I am?" Simon Peter answered, "You are the Christ, the Son of the living God." ~ Matthew 16:15-16

We are the church together indeed...Mission Trip 2010 in Beaumont TX proved that!! What a wonderful, blessed week we had in working with three other church groups (62 people combined). Like here, the weather was very hot and humid. Heat indexes were 110 - 115 degrees but we had a job to do. This nine week project build was already behind due to Hurricane Alex. Carl Zerweck, the project manager from Disciples Home Missions, quickly organized the long term volunteers in each area to give us direction and guidance. In our group alone we learned how to jack-hammer, roof, side, mix, pour and trowel concrete and install windows and doors. Off the job we helped clean up after meals, held the morning devotional and participated in the evening worship services. We also had an afternoon to go to the beach and play. We actually saw a dolphin in the Gulf of Mexico!! We are planning a slide show presentation along with our personal testimonies on Wednesday evening September 15th following the Fellowship Dinner.

City of Hope is Saturday, August 7th from 10 ~ 2 at the Community Center. The youth are door greeters!! We will also be canvassing a pre-designated neighborhood with flyers on Friday, the 6th as a part of First Friday activities. City of Hope is free to all and includes games, haircuts, food & resources.

Hard to believe that summer is almost over. With that being said, our last youth group meeting at the park will be August 25th. The meetings held at the park have been such a nice change of pace and even the meetings held at McDonald's have been rewarding and fun. Keeping in mind vacations, mission trip, etc. we have had an average of 10 kids for most meetings. Our topics so far have been choices, the seven deadly sins, balding/shaving of heads, dress code, laziness and demons. Each meeting incorporated announcements, dinner, a game and scriptural content relating the topic to real life. Thank you also to everyone who provided meals for us.

Mark your calendars for Sunday, August 8th to head to Silver Dollar City! It's the last day of Kids Fest and we are planning to depart from Eternal House at 1 p.m. If you do not have a season pass we do have some coupons that will get two people in for \$15 each. Let Julie know if you plan to go and if you need to use a coupon so we can plan transportation and discounts. The park is open until 10 p.m. and we hope to stay to closing. Please bring money for dinner in the park and for any personal items you would like to purchase.

If you haven't already joined "Da Yutes Korner" fan club on Facebook, please do! Our youth newsletter, "the Vortex", is available as well as our calendar of events. We have a discussion board, a "wall" to post to and a place to add photos and videos. It is a ton of fun and a good way to keep up on all the events! LOL!
